

Excellence on POINTE!

Developing Artistic Opportunities for a Diverse Community

WE NEED YOUR HELP!!

THE POINTE! is looking for your help in building our sponsorship database so underserved dancers will have an opportunity to participate in classes, workshops, trainings, recitals, productions and more! We need you to submit contact information of business owners and potential sponsors. Our team of coordinators will speak with them to gain their support for our studio. For every business that you submit and a pledge is established, your name will be entered into a drawing to win a pair of *Comp Tickets* and preferred seating at our upcoming annual dance production of "PRIDELAND" A Dance Adaption of the Lion King in March 2019.

Please complete the form below and submit potential sponsors in the drop box near office in main lobby.
